## Quarter Will Close Next Wednesday

Final examinations to be held two days next week at College

### WINTER VACATION STARTS

These days, the days everyone has been looking forward to with some degree of anticipation or anxiety, are at hand. Tuesday and Wednesday, Nov. 23 and 24, have been designated as the days of final examinations for this quarter's work.

These days will follow days of preparation and "cramming" by the students. More time will be given to study and less time to recreation. Everyone has only one object in mind, and that is to pass his courses.

Following the tests, school will close for a five-day Thanksgiving vacation. The winter quarter enrollment will start Tuesday, Nov. 30.

Tests to be held on Tuesday will be as follows: 8 o'clock classes will hold examinations from 8 until 10 a.m.; 9 o'clock classes from 10 until 12 noon; 10 o'clock classes from 1 until 3 p.m.; and 11 o'clock classes from 3 until 5 p.m.

The schedule of tests for Wednesday, November 24, is as follows: 1 o'clock classes will hold examinations from 8 until 10 a.m.; 2 o'clock classes from 10 until 12 noon; 3 o'clock classes from 1 until 3 p.m.; and 4 o'clock classes from 3 until 5 p.m.

Freshman orientation tests will be held at 7:15 o'clock Thursday evening, Nov. 18, for groups I, II, III, A, B, and C.

Students will leave the campus for Thanksgiving holidays after 4 o'clock Wednesday afternoon, the date of the official closing of the fall quarter of the year 1937-38.

## "Passion Play" Star Pleases College Assembly Audience

Miss Anny Rutz, Oberammergau Actress, Describes Famous Production

The audience was carried away from the scene of the great "Passion Play" in Oberammergau by Miss Anny Rutz who spoke in the college auditorium last Tuesday.

Miss Rutz told something of the history of the play in which she has portrayed the great role of the Virgin Mary. She said that no costumes or costumes are used and that the play is presented in a simple manner. There is a large cast of actors which is proved by the fact that in one of the greatest scenes of the play 700 players appear on the stage.

The next performance of the play will be presented every ten years, in 1940.

During the lecture Miss Rutz showed 100 slides of the picturesque scenes of the play, of the life and of the people of Oberammergau. The scenes from the great drama were shown.

### COLLEGE CLUB MEETS

The college make-up class met Tuesday night and discussed the importance of make-up. Tonight the club will discuss eye lines and wrinkles.

## NORTHWEST MISSOURIAN STAFF GETS VACATION

Due to the fact that members of the staff of the Northwest Missourian will be busy with final Fall quarter examinations the first of next week, there will be no edition of this newspaper next week. The editorial staff of the paper intends to allow staff members ample time to prepare for examinations and not to impose increased duties on their shoulders during the test week.

The next edition of the paper will appear Thursday morning of the following week. That issue will probably be a four-page edition due to the fact that that week, too, will be short and will not afford the staff time to become sufficiently organized to publish the regular sized paper.

## Ten Teachers Attend Meeting In St. Louis

President Lamkin and Mr. Saylor Appear on Program of State Association

### BOWMAN, MEHUS DELEGATES

Ten members of the College faculty are attending the seventy-fifth annual meeting of the Missouri State Teachers Association in St. Louis this week-end. They are: Pres. Uel W. Lamkin, Dean J. C. Miller, Miss Estelle Bowman, Miss Chloe Millikan, Mr. Homer T. Phillips, Mr. Bert Cooper, Mr. Herbert R. Dieterich, Mr. Norval Saylor, Dr. O. Myking Mehus and Mr. Leslie G. Somerville.

Miss Bowman and Dr. Mehus are delegates from the College Community Association. Pres. Lamkin and Mr. Saylor will appear on the program.

Most of the classes of the faculty members attending the meeting are meeting as usual under student supervision. Susan Fleming, Graham, is teaching Miss Bowman's English 11a classes. Miss Ruth Miller, faculty secretary is to instruct Mr. Cooper's freshmen orientation group.

Dr. W. G. Shover, head of the commerce department, and Phillip Nystrand, Pickering, are substituting for Dr. Mehus. Education 101, under Mr. Dieterich, is holding panel discussions under the direction of Beverly McGinness, Barnard, on Wednesday, and Rosalie Busby, Maryville, on Friday.

## Fine Pianist Pleases College Music Lovers

Jerold Frederic, noted pianist of unusual talent, gave a concert at the 11:00 o'clock assembly last Friday. Music lovers were thrilled by his splendid execution of pianissimo passages and delicate phrasing. The audience seemed particularly impressed with Mr. Frederic's beautiful interpretation of Chopin's "Berceuse," "The Flight of the Bumble-Bee," (Karsakov-Frederic), "Liebestraum," (Liszt), and "Hungarian Rhapsody, No. 6," (Liszt), which were better known to many of the listeners, proved more popular.

Mr. Frederic's first selection, "Symphonic Etudes," Opus 12, (Schumann), furnished a great technical display of music knowledge. In spite of a few eccentricities of the artist, which proved annoying to some, it is believed that most people thoroughly enjoyed the performance.

## Bearcats to Battle Miners In Last Game

A Win Would Give S. T. C. Third Place in M.I.A.A. Conference Standing

### FINAL TILT FOR FOUR MEN

The College Bearcats leave this afternoon for Rolla where they engage the Miners in the season's final game, a conference tilt. A win would gain Maryville third place in the M.I.A.A. standings.

Rolla has tied Kirksville, lost to Warrensburg and defeated Springfield, a record similar to that of the Bearcats. Everything points to a hard-fought battle.

This will be the last game under the Green and White for four Bearcats. They are Harry Irvine, Fairfax, tackle; John Zuchowski, St. Joseph, end; R. E. "Zeke" Kiouss, Carroll, Ia., tackle; and Everett Richards, Thomasville, Ga., center.

An erroneous report was given last week that Walter Moore was in the graduating group. Moore is a junior and has another year of eligibility left.

Coach Ryland Milner has been working his charges hard all week in an effort to prevent any let-down after last week's victory over Central. Maryville's trick plays clicked in that battle for the first time this season, and if the same plays click tomorrow third place should be the reward.

The Miners are a versatile team, but inconsistent. The attack is built around Ladd and Taylor, halfbacks. Prough at tackle, and Murphy, end, are stand-outs in the Miner forward wall.

## Bell and Fleming Elected to Office By Varsity Villagers

Two College Women Chosen By Organization of Off-Campus Women, November 11

Sue Bell, Van Buren, Ark., a sophomore in the College, last Thursday was elected president of the Varsity Villagers, organization of College women residing off the campus at an election held in the administration building.

Sue Fleming, Graham, a senior in the College, was at the same time elected secretary of the organization. She took the place of Helen Leet, Maryville, senior, who formerly held the office.

Miss Bell succeeded Eula Bowen Rouse, who recently resigned her position.

## In Armistice Parade

College students who are members of the 128th Field Artillery, Missouri National Guard, band and Battery C, both of which are stationed in Maryville, took part in the Armistice day parade which was held last Thursday morning. The observance in Maryville was sponsored by the American Legion of this city.

### PRESS CLUB TO MEET

The Northwest Missourian press club will hold its final meeting of the Fall quarter at 4 o'clock this afternoon in Social Hall. All members are expected to be present.

## SCHEDULE FOR EXAMINATIONS FALL QUARTER 1937

Tuesday, November 23  
8:00 class, 8:00 to 10:00; 9:00 class, 10:00 to 12:00; 10:00 class, 1:00 to 3:00; 11:00 class, 3:00 to 5:00.

Wednesday, November 24  
1:00 class, 8:00 to 10:00; 2:00 class, 10:00 to 12:00; 3:00 class, 1:00 to 3:00; 4:00 class, 3:00 to 5:00.

Freshman Orientation—Thursday, November 18, 7:15 P.M. Groups I, II, III, A, B, and C.

The Fall quarter will close at 4 p.m., Wednesday, November 24.

## All-College Dance To Be Held Here Tomorrow Night

Guy Morgan and His Collegians to Play at Final Social Event Before Thanksgiving

Guy Morgan and his Collegians, a new dance orchestra, will furnish the music for an all-school dance to be held tomorrow evening in the College West Library, it was announced this week.

The dance, which will be in session from 8:30 o'clock until 12 o'clock, will be an informal affair, and all students in the College are welcome to attend. It will be the third all-school dance of the fall quarter.

## 200 Dads Attend Annual Program At the College

This Year Approximately Twice as Many Fathers Are Entertained By S.T.C.

### LARGE CROWD AT LUNCHEON

Approximately 200 fathers attended the annual Dad's Day at the College last Friday, according to Dr. O. Myking Mehus, chairman of the committee in charge. This was about double the number of parents who attended the program last year.

The dads seemed well pleased by the short, but interesting program which was given. President Uel W. Lamkin and student president John Zuchowski, gave the welcome addresses to the dads at the assembly. The main feature of the program was the appearance of Jerold Frederic, noted pianist, who played several numbers for the benefit of the dads.

There was a capacity crowd at the luncheon given at Residence Hall at 12:15. Dr. Anna Painter, head of the English department gave the faculty welcome and Gara Williams, Maryville, gave the student welcome to the dads. Rev. Breidenthal, Bethany, father of Mynatt Breidenthal gave the response on behalf of the fathers. Music was furnished by a string trio under the direction of Miss Alline Fentress, instructor of violin.

The football game between the Bearcats and the Central College of Fayette was won by the Bearcats to the evident joy of the dads.

### C.H.S. CLUB MEETS

Mr. Hubert Garrett of the College social science department, today announced that the first meeting of the newly organized Social Science club of the College high was held yesterday at 1 o'clock in Social Hall. The meeting was held for the purpose of electing officers for the ensuing year.

## Fine Programs Arranged for Winter Quarter

President Lamkin, John Zuchowski To Talk in Opening Assembly Dec. 1

### MARY ELLEN CHASE JAN. 24

Now that the fall quarter is descending to a smooth landing, the Winter quarter will stage its official take-off, Nov. 30, registration day.

The tentative calendar for winter entertainment will include lecturers, musical and dramatic activities.

Pres. Uel W. Lamkin and student body president, John Zuchowski, will give talks entitled, "Some Reasons Why," in the first assembly, Dec. 1.

The Dec. 8 assembly will have Dr. Mary Alice Parrish as the main speaker.

A one-act play will be given Dec. 15.

The conservatory of music will sponsor a Christmas concert Dec. 22.

Mr. Norval Saylor of the physics department will show moving pictures of the Orient which he took while traveling there this summer. The picture has been arranged for the assembly January 5.

The conservatory faculty will sponsor a concert Jan. 12.

A moving picture entitled, "The Human Adventure," which is an A.A.U.W. picture will be shown Jan. 13.

Dr. Kelly, head of the speech department, will give a reading, "Enoch Arden," for assembly Jan. 19.

The Gregorian Choir or a lecture by Pres. Chas. Spaeth will be the attraction Jan. 26. The other will be given Feb. 2, in assembly. Pres. Spaeth is the president of the University of Kansas City.

February 4, Ruth Page with the Bentley Stone Ballet will be presented.

Another musical assembly will be presented Feb. 9, in the form of a student recital by the conservatory of music.

Feb. 15, Dr. Roemmert will give

(Continued on page 8)

## Intra-Mural Events Take Spotlight at Beginning of Quarter

Ten Teams Have Been Organized for Competition in Variety of Sports

With the closing of the football season, intra-mural athletics take the spotlight at the College. Eleven teams have organized to date and will begin competition in the immediate future.

The teams are: Moore's Basketball, Hash Slingers, Y. M. C. A., Sigma Taus, Sigma Mus, Illinois Flashes, Green Angles, Pilgrims, Ramblers, Loot's Looters and Chick's Roosters.

Ten sports will occupy the teams this year, including basketball, tennis, golf, swimming, volleyball, softball, track, horse shoes, boxing and ping-pong.

The intra-mural commission is composed of Kenneth Allen, Richmond, senior, Clifton Cox, Westboro, junior, Paul Tracy, Hubbard, Ohio, sophomore, and Max Mudd, St. Joseph, freshman.

## The Bearcats Sports Editor Picks All-Star Football Team

Richards, Molitoris and Zuchowski Are Placed on Mythical All-M.I.A.A. Conference First Team; M. Rogers and Bill Bernau Win Berths on Second Team

Player	School	Position	Second Team
Wakeman	Warrensburg	L. E.	Schivengel, Kirksville
Godard	Cape Girardeau	L. T.	Prough, Rolla
Conrad	Cape Girardeau	L. G.	Grilli, Kirksville
Richards	Maryville	C.	Brogstadt, Warrensburg
Teegarden	Warrensburg	R. G.	M. Rogers, Maryville
Molitoris	Maryville	R. T.	Sherfield, Cape Girardeau
Zuchowski	Maryville	R. E.	Murphey, Rolla
Godwin	Cape Girardeau	Q. B.	Bernau, Maryville
Brown	Warrensburg	H. B.	Metze, Cape Girardeau
Miller	Kirksville	H. B.	Bapst, Warrensburg
Hammer	Warrensburg	F. B.	Taylor, Rolla

By WM. EVANS

Since picking all-star teams seems to be the favorite indoor sport of the hour, the Missouriian has done likewise in the M.I.A.A.

After careful consideration, the above team was picked. Three Bearcats, Richards at center, Zuchowski at end, and Molitoris at tackle, were named.

So close were the decisions on most of the first team berths that a second team was picked to show who the contests were between.

At ends, Wakeman of Warrensburg, because of his all-around ability and defensive play, and John Zuchowski of Maryville, because of his offensive capacities, were picked. Zuchowski is the conference's outstanding pass receiver, and fits in well as a fifth backfield man. Schwengels, Kirksville, an all-star of last year, rated only the second team because of the injuries that slowed his play during much of the season.

The tackles were easier to name with Godard of Cape, undoubtedly the conference's outstanding tackle, and "Big Ed" Molitoris of Maryville not too far behind.

Teegarden, versatile Warrensburg guard, retained his all-star status of last season. His play this year has been a big factor in the inability of the opposition to puncture the center of the Mule line. As a running mate at guard, Conrad of Cape was nam-

ed. The fact that Cape's goal is uncrossed this season is partly due to the excellent play of Conrad. Rating close behind was M. Rogers, Maryville.

The center race was a cut and dried affair between Maryville's Richards and Brogstadt of Warrensburg. Richards' fine line backing and ability to diagnose enemy plays were the deciding factors.

Picking the backfield was a headache. Godwin, Cape Girardeau's triple-threat quarterback, and the conference's leading scorer, is a standout. His heady quarterbacking, coupled with his natural running, kicking, and passing abilities made his selection certain.

The halfback positions were filled by two more outstanding quarterbacks, Brown, Warrensburg signal-caller and end-runner deluxe, has decided several games this year on long solo jaunts across the enemy's goal. He also throws passes with ability. Miller, Kirksville quarter, is another crafty triple-threat veteran who would fit into any team at halfback. Bernau, Maryville quarter, has been outstanding all season, but all roads to the first team seemed to be blocked.

Van Hammer, Warrensburg, was placed at his favorite position, fullback. He rated the second team last year and his improved play this year won him first team honors this season.

### Turtles Win Over Bearkitties in Soccer Game

Upperclassmen Defeat Underclassmen in Cold Encounter Monday Night

"Brr," "Oh, is it ever cold," "Ready. Let's go!" came the remarks as the Turtles (upperclassmen) and Bearkitties (freshmen and sophomores) dashed on the field Monday at 7:30 p.m., to wage a soccer battle. The Turtles were victorious over the Bearkitties by a score of 2-0.

Upperclassmen all in white, with their red turtles and numbers contrasted to the Bearkitties costumed in darker uniforms.

At the end of the first quarter the game was still anybody's for the score was 0-0. Mad scrambles for coats and blankets seemed to be the main object between halves.

Evidently neither team had

played enough to get warmed up, for the score was still 0-0 at the half. "Oh, and now for the gym this half, and some nice warm tea." Miss Waggoner thoughtfully prepared a thermos full of hot tea, just what everyone needed to really get warm.

After extra time during the half to get warm, both teams came back on the field with more fight than ever.

A penalty kick made by D. Graham, Creston, Ia., placed the Turtles in the lead. The score at the end of

the third quarter was 1-0.

In the fourth quarter Graham gave a long field kick and another two points was made in favor of the Red Turtles. Without the help of the other forwards carrying the ball down the field, the Turtles might not have won the game.

Marianna Obermiller made several close punts near the Turtles' goal, and it was all the Turtle back line could do to hold the line. Between Gibson, Turtle goalie and Jones, Bearkitten goalie, there was some fine punting. Gladys Miller received a bad jolt but that did not keep her out of the game.

The line-up for the two teams:

Turtles	Bearkitties
<b>Forwards</b>	
B. McFall	L. W. V. Bosch
M. Farmer	L. I. G. Miller
D. Graham	C. M. Obermiller

### HERE'S the DOPE

By WM. EVANS

#### M.I.A.A. STANDINGS

	W.	L.	T.	Pct.
Warrensburg	4	0	0	1.000
Cape Girardeau	3	0	0	1.000
Rolla	1	1	1	.500
Maryville	1	2	0	.333
Kirksville	1	2	2	.333
Springfield	0	5	0	.000

As was predicted by several observers early in the fall, the M.I.A.A. titleholder will probably be the winner of the Warrensburg at Cape Girardeau game this Friday. However, Cape has yet to play Rolla next week.

Last Friday Cape Girardeau kept her goal line uncrossed for the season as the Indians downed Evansville, Ind., college, 34-0. Cape's goal-line defense is expected to be punctured by Warrensburg tomorrow. However, the Mules do not necessarily vote the favorite. Everything points to a "ding-dong" battle, with the breaks deciding the issue. If Cape stops the end-sweeps of Warrensburg's Johnny Brown, they should win. However, no Warrensburg opponent this year has been able to stop the Mule speed-merchant.

Kirksville lost a tough skirmish to Warrensburg last week, 13-6, out-gaining the highly touted Mules in midfield, but lacking the goal drive necessary to win. As has been his custom, Johnny Brown of the Mules, swept end three times for forty-three yards to tally the victory touchdown in the third quarter.

Rolla won its first conference victory over the hopeless Springfield Bears last week, 35-0. This marked the end of conference games for the Bears, who are without victory this season. Rolla entertains our Bearcats Friday in a battle for third place. Both these teams have been "dark-horses" this season, clicking at times and slumping at times, much to the dismay of their coaches. Another toss-up, with the breaks deciding the issue.

Kirksville journeys to Salina, Kas., for a game with Kansas Wesleyan of that city. Both teams have plenty of man-power. Oh, why do these winners have to be so hard to pick!

### STUDENTS TAKE WEST POINT TESTS

Jean Nickel of Virdin, Ill., and Henry Turner of King City, returned Wednesday evening from Jefferson City, where they took an examination to enter West Point, United States Military Academy in West Point, N. Y.

This examination was given by the National Guard. Only one man is chosen from the state. The examination was given at the state capital under the direction of General Means.

Eight boys took the examination which started Monday morning and lasted until Wednesday evening. The test was composed of 600 points: 100 English composition and grammar; 100 English and American literature; 100 algebra; 100 geometry; 100 ancient history and 100 U. S. history.

The results of the test will be known about Dec. 15.

### FIRST GRADE STARTS PUBLISHING NEWSPAPER

Friday, November 5, "The First Grade Forum," published by the members of the first grade, was released. Those in charge of editing this paper were, L. E. Egley, editor; Eunice Hemshrot, assistant editor; Sue Condon, Virginia Ann Bird, Edward Condon, reporters; Martha Nelson, janitor; Larry Krause, filing secretary; and James Welsh, assistant printer. Miss Virginia Miliken was in charge of the printing.

The paper, which consisted of four pages, contained original poems and writings, editorials and news of the first, second, and third grades, as well as of the kindergarten.

The students have shown a keen interest in journalistic work and have expressed the desire to publish another issue of "The First Grade Forum."

### ORGANIC CHEMISTRY MOST DIFFICULT COLLEGE STUDY

What is the most difficult college subject?

Organic chemistry.

This is revealed in a study made by the Bureau of Educational Surveys, New York City.

The Bureau found that the use of college outlines and other supplementary aids to study was in direct proportion to difficulty in the subject experienced by the student, and that the number of students in organic chemistry using college outlines far exceeded that of any other course.

According to the study, science courses as a group are a major source of difficulty with history, particularly ancient, medieval and European not far behind. Study of Shakespeare's plays rates "hardest" of the English literature courses.

The subjects most baffling to students, in order of their difficulty, as revealed by the survey, are: organic chemistry, statistics, physics, general psychology, inorganic chemistry, principles of economics, political science, general biology, history of the middle ages, history of Europe, American government and English literature.

Students questioned during the study stated that the college outlines simplified their work by giving them a picture of the course as a whole in advance of the field to be covered and were especially val-

uable for review purposes. members, while generally to their use in cramming for found them useful as around which to build lecture class discussions and in encouraging students to do supplementary

### CONTEST TO DEC.

The Tower picture contest continue until Dec. 1, according to Gene Hill, Calhoun, editor. All members of organization have their pictures taken at Dec. 1. After that date no will be accepted.

### MEN STUDENTS MAY USE RECREATION HALL

Men students may now use Recreation Hall as well as women, according to an announcement week by Dr. Margaret Ruth, director of women's activities. Only restriction is that consens be shown those students who to study in the hall.

### ATTEMPT TO BAN LIQUOR AT BIG FOOTBALL GAME

Washington, D. C.—(ACP) holic exhibitionists are in squelching this fall if plans nation's big-time football materialize.

Colleges in the Big Ten are distributing to patrons, stating that those who "bringing their own liquor" distinctly unwelcome.

Ushers are being instructed stop drinking in the stadium, refuse admission to holders who are intoxicated and out anyone violating drink restrictions.

At Westpoint officers insist "there is no drinking problem because that would be bad and it just isn't being done by or officers at the Military Academy."

Queries about drinking at games at Annapolis shocked Naval Academy officers. The "Midshipmen are prohibited drinking on the academy and it would be in very bad for officers to drink at games. Spectators found are promptly ejected. The have the situation in hand."

The American Football Association, together with presidents and other officials, secret study of drinking at games, found more intoxicated sons attend Eastern football.

In Texas and other Southern states, college officials have using strongarm methods games start, a ban on drink the stands is broadcast over system, and then hundreds of men, stationed among the tors, enforce the ban.

## The Stroller

Now there's the chorus girl who is so dumb she thinks a pantry is a place where you keep your underwear.

The football season will soon be over and then watch those big strong fellows catch up on their wooing. Hill and Woiks Green.

Send: "And how does your morning feel this morning?"

Cofer: "Listen, if all the heads of the parade were laid end to end, mine would stand up and sneer at them."

Anyone was ever blue looking this week-end it was C.E.'s little brother James. Now his love of the few weeks went home.

Maloy are you fooling your mother or do you intend to keep on making the rest of the year?

Let hours at the dorm next Monday and Tuesday nights. It's a long time and maybe it should have started sooner.

Apple polishers sure are getting busy now. It's time for the girls and oh, how some of the gals will their eyes.

Had any money I would buy some flowers to send to that broken hearted girl, Durine Riddle.

Paul really has a time riding around in "his" car. It's a lot more fun than walking.

Buckett, did it do you any good for Doris to try and make you beautiful last Monday nite. Oh, baby, but you really looked terrific.

Better slow down awhile, Red Hayes, and keep your mind on studying or at least on the book.

## Gospel Team to Bethany for Service

Don't miss the Maryville Gospel Team, Christian Church, Sunday Nov. 14. These were the words used to advertise the coming of the College Y.M.C.A. Gospel Team to Bethany Sunday, Nov. 14. In the downtown part of the city these words were painted in large white letters on the sidewalks of the business district.

During their second trip of the Y.M.C.A. Gospel Team left Maryville early Sunday morning and went to Grant City for services. A program was presented at Grant City in the Methodist church in the morning and at the Christian church in Bethany Sunday evening. Rev. C. B. Briedenthal, pastor of the Bethany Christian church, is the father of Matt Briedenthal, music student at the College.

The speakers for the programs are J. K. Phipps, Grant City, and Gil Elliott, Barnard. Phipps spoke on "The Three Christian Wills," and Elliott spoke on "Religion, 1938 and 1940" at Grant City in the morning.

## Missouri

Thursday—Beauty Contest on the stage—Beauty Contest on the screen—Pinky Tomlin in—"THANKS FOR LISTENING"

Friday—Vaudeville—K.M.A. Pals of the Prairie

Saturday—Gene Autrey in—"Round-Up Time in Texas"

Sat. Night-10:45 Sun.-Mon.Tues. on Ameche-Loretta Young in—"LOVE UNDER FIRE"

and "A God Who Speaks" at Bethany.

The trip was made in the new Diamond T bus, recently purchased by the College which is a great improvement in riding comfort over the old bus in which the Gospel Team boys formerly made their trips. Ted Adkins, college mechanic, was driver of the bus.

Besides the speakers, those who made the trip are: Donald Hepburn, Hopkins; Caton Lake, St. Joseph; Francis Stubbs, Amazonia; Jewell Meyers, Kidder; Robert Long, Maryville; Chas. Churchill, Maryville; Herbert Haddorn, Savannah; and Edward Castle, Wheeling.

## ELEMENTARY SCHOOL IS ACTIVE

In the first grade room, the square frame structure has developed into a Post Office so that the pupils may study the mail system. This interest is a result of editing a paper last week and sending it through the mail. There is a postmaster and mistress and each pupil has his specific duty.

Rolland Carver, a new student in the second grade, enrolled last Thursday.

A circus wagon parked at the west side of the main building last Friday morning so that the second graders might see the toy animals perform. This was done by the Beechnut Co. through the cooperation of the Nodaway Drug Co. of this city. Students and teachers received some Beechnut Gum.

The third graders have now reached the unit of Indian cooking and last Friday made some Indian pemmican, consisting of melted suet poured over a mixture of dried beef and ground raisins and let set. Although this will keep indefinitely, our little squaws and warriors feasted upon pemmican last Monday.

## STUDENT NOW TEACHING

Eliza Ellen Porter is now teaching the Herron school, two miles north of Maryville. The former teacher resigned early this week. Miss Porter, who is a sophomore in the College, took her place Wednesday.

The Writers Club met last week and elected Elizabeth Wright as chairman to take the place of Alex Sawyer, who is ill.

## At the Theaters

### THE MISSOURI

Tonight on the stage will be the beauty contest to determine "Miss Maryville." On the screen will be Pinky Tomlin in "Thanks for Listening."

Friday, vaudeville—the "K.M.A. Pals of the Prairie," 5 entertainers.

Saturday will be Gene Autrey in "Round-Up Time in Texas."

Starting at the 10:45 show Saturday night and continuing through Sunday, Monday, and Tuesday, will be Don Ameche and Loretta Young in "Love Under Fire." This is about the Spanish Civil War.

### THE TIVOLI

Tonight—Allen Jenkins, Glenda Farrell, Stuart Erwin, Jean Muir, in a romantic comedy, "Dance Charlie, Dance."

Friday and Saturday, Jack Holt and Mae Clark featured in a flaming drama of the Far East—"Outlaws of the Orient."

Starting at the Owl Show, Saturday, and running through Sunday, Monday, Tuesday, is Barbara Stanwyck, and John Boles, Ann Shirley, Alan Hale, in Olive Higgins Prouty's sensational novel, "Stella Dallas," produced by Samuel Goldwyn.

Thanksgiving matinee and night, Bobby Breen, popular juvenile radio star in "Make a Wish."

## Many Lost Articles In Business Office

The section of the College business office where lost articles are kept is a close parallel to Ripley's Auditorium at the Century of Progress Fair. In both of them one may expect the unexpected. In visiting both of them one may find himself continually saying, "Now how do you account for that?"

The present collection is small. There are quite a number of keys, fountain pens, textbooks, notebooks, pencils, and handkerchiefs. Many rings are turned in but they are promptly claimed. The strange thing about the gloves is the fact that they are found in pairs. There are four matched pairs to every odd glove. Two spectacle cases are in the collection. One case is carefully labeled, "W. G. Cummins, Burlington Junction. Reward if found."

### A Tale of Two Tithes

The articles mentioned above are those one might expect to find. One is astonished, however, to find a typewritten copy of a play entitled, "A Tale of Two Tithes." Queerly enough, this seems to be a satire on our modern college life. One does not expect to find a battered tennis racket, a puzzle, a pair of Flint car keys, and a notebook with notes on what appears to be a sermon. A large black purse found there contains a small cross on a chain, a powder puff as big as a saucer, a meager handkerchief, a barber's comb, a short pencil of eyebrow blackening, and a fiery lipstick the size of a strong man's thumb.

### Long Underwear

Other odd things that have been harbored in the office are: a box containing a boy's sweater, shirts, long underwear, and a big umbrella. High minded Ike Howell once tried to turn in a small puppy which he had caught in the hall. So far the kitten which has come to school in pursuit of higher education has steered clear of the lost and found department.

### Some Get Snappy

The office workers report that more articles are turned in during the summer than in any other term. The teachers who are going to school then do not lose textbooks but are very careless about personal things, and become very snappy about the inefficiency of the office when they are not found. One person went so far as to leave a written description of a fountain pen and was as sore as a thousand-legged worm with fallen arches when, after two days, the pen was still missing. C. C.

### SPEAKS AT HIGH SCHOOL

Miss Olive S. DeLuce, chairman of the department of fine arts, spoke on "How to Enjoy Pictures," at the Washington High School here Nov. 16. The school is conducting an exhibit of famous prints this week.

### BUSINESS MEETING SOON

The dance club has not yet set a definite date for the business meetings of the club, but it will be sometime in the near future. These club meetings will be held once a month aside from the dance meetings every Tuesday and Thursday evenings.

### PLAY CASTS ANNOUNCED

The College high school dramatics club casts have been selected to act in two plays to be given in the immediate future. Practice for these two plays will begin soon.

"His First Shave," will be presented by the following: Charles Hart-sough, Erma Thompson, Peter Noblet Dorothy Johnston, Anna Heflin, Helen Purviance, Dorothy Folden and Herschel Bryant.

The above cast practices in the evening, and the following cast for the "Gift of the Teeth Horse," will practice during the noon hour: Glenda Baucom, Ruth Pfander, Ruth

Myers, Garvin Piatt, Dean Duff and Mary Ruth New.

Miss Beulah Frerichs, Fairfax, a senior in the College, has charge of the preparations for the two plays.

## At Washington

By MARVIN COX  
(Associated Collegiate Press Correspondent)

Washington, D. C.—College students continue to be among the recipients of Federal benefits along with farmers, the unemployed, the aged, the blind, and other groups that are on the receiving end of Federal aid.

Of course, the cash that goes to college students is not as much as that which goes to the tillers of the soil and the needy unemployed but, at that, the young people do pretty well for themselves. Twenty million dollars, the amount the National Youth Administration is this year paying to students, is a long way from small change.

The students perform specified services at the schools and colleges and in return receive funds from the N.Y.A.

Slightly over \$10,000,000 will go to college students and the remainder to high school boys and girls. This \$10,000,000, if paid out in the form of scholarships, would provide \$500 a piece for 20,000 college students. However, being distributed, as it will be, in amounts of about \$15 a month, this sum will help pay the bills of around 75,000 young men and women during the current academic year.

This \$20,000,000 allocation for students, however, doesn't satisfy all of them. William W. Hinckley, president of the American Youth Congress, states that his organization will continue to battle for the passage of the American Youth Act.

This proposed legislation, introduced during the last session of Congress, would appropriate \$500,000,000 for the aid of young people.

Failure to obtain action last session has not discouraged the Youth Congress and they will be in there fighting when the next session convenes in January.

Five years ago, if someone had suggested a Federal appropriation for college students, the idea would have been ridiculed and its sponsor denounced as a Communist, Socialist, Demagogue and enemy of the people. Now, however, the idea of Federal aid for college students is generally accepted. The only subject of serious debate is the amount to be devoted to this purpose.

There is one important factor in considering the subject of Federal appropriations for the benefit of young people. The government is borrowing money to spend on them, but this same generation that is receiving the money will also have to pay it back.

The old folks who are getting Federal benefits that are paid for with borrowed cash will pass the debt along to younger generations. The young people, however, do not have this advantage.

## CLASS TO HAVE PARTY

The sophomore class of the College high school is at present making plans for a class party to be held at some future date. Committees have been announced as follows: Time and place, Pauline Ray, Sarah Ruth Kelly, J. D. Courtney; food, Marcelline Icke, Beth Turner, Lewis Henlon; entertainment, David Boyer, Helen Wright, Mary Linneman.

## SAYS HOME WILL BE MORE THAN PARKING SPOT

Chicago, Ill.—(ACP)—Home, for the next generation, will be more than merely a "parking place for the night," according to Dr. William Field Ogburn, University of Chicago, sociologist.

New inventions are going to change most everything, including types of home recreation and conveniences, he said. Radio and television, talking books and wireless, which makes it possible to print newspapers in the home, are only a few.

"Electricity will multiply the home conveniences which now are measured in the thousands," he said. "It has already transferred one industry from factory to the home, namely, the manufacture of ice. Successful competition may arise for away-from-the-home activities, such as window shopping, club life, motion pictures, etc."

Inventions affecting the construction of houses will tend to make the houses more attractive as living places, while the trailer will change the nature of the summer and winter vacation dwellings.

"New industries will develop based on television, alloys, the photo-electric cell, plastics, pre-fabrication of dwellings, photography, air conditioning, talking books, artificial food products, steep flight aircraft, tray agriculture and synthetic fibres," he continued.

Nationalism will be furthered by the use of radio television and photography as propaganda vehicles. Synthetic products to take the place of materials formerly imported will foster high tariffs and increase nationalism also.

Dr. Ogburn forecasted technological unemployment among farmers and creation of a rural proletariat as the result of this speeding up of the industrial revolution.

### A WORD FOR OUR CRITICS

A critic, some one has said, or if he hasn't, we say it now, is a valuable friend. A man who will take the trouble, or the pleasure, of pointing out mistakes is doing one a favor. Of course, it is pleasant to hear compliments. After all, there is nothing quite so inspirational as a good hearty boost. There's no getting around that.

On the other hand, there is nothing quite so likely to keep one on his toes, even though uncomfortably, as criticism.

— A newspaper man can speak about this as an expert. He knows. Every editor spends at least a few hours after his paper leaves the press sitting on the edge of his chair, with the hair on the back of his neck ready to curl. He is waiting for the first of that inevitable line of critics to enter the office.

The editor knows that in handling from twenty to a hundred thousand words of copy a day or a week, mistakes may have slipped by him. He knows, so well, that he doesn't know everything. Just the same, if a reporter writes that Mrs. Smith's party will be Tuesday evening, and it isn't, Mrs. Smith is coming to see him about it. If the printer, in his haste, has set the type so that Mrs. Jones gave birth to a churl instead of a girl, Mr. Jones is on his way with blood in his eye.

The same uneasy feeling prevails, we will admit, among the MISSOURIAN staff members every Thursday afternoon. We can't help but believe that our readers memorize our paper, with the aid of a magnifying glass. Let a comma inexplicably wander out of place, and we hear about it, not once but a dozen times. Just let a slightly stretched fact appear anywhere, even in the most obscure, unattractive part of the paper. They even take the trouble to write us about it.

We are not complaining. Far from it. We're happy about the whole thing (except Thursday). We're glad our readers go over the paper so carefully. That is a real compliment.

Thank you, critics.

### BRAZIL GOES CORPORATE

Those individuals who are either too thick-skulled or too indifferent to pay serious attention to the growth of fascism in the world, probably read with little interest of the establishment of a corporate state in Brazil Wednesday. One can imagine them laying down the morning paper, wondering where Brazil is exactly and turning to the newest murder or the funnies.

Brazil is in the Western Hemisphere. It is one of those countries a certain American statesman by the name of Monroe had in mind when he wrote a document which has since guided, in a large measure, South American policy for the United States. In essence, that policy has been to keep European interference out of this part of the world.

The Monroe Doctrine has not worked to per-

fection, of course. It has not kept European countries from economic supremacy, in some instances, in South America. It has not kept Europeans from aiding, or hindering, various revolutions there. It has not kept Brazil from Fascism.

It was to be expected that propagandists would get into the newspapers that the Brazil coup is "just another South American dictatorship." We will read more of that.

Informed persons are not deceived. It is Hitler who is the power behind the throne of Brazil today.

Every lover of democracy, of freedom, especially every American, should give serious consideration to the establishment of the Nazi dictatorship so near at hand.

### EVERY STUDENT SHOULD BELONG

The criticism is sometimes heard that extracurricular activities are stressed more than scholarship in some colleges. There is considerable justification for the remark especially in regard to larger colleges and universities. Many social fraternities and sororities, the metropolitan atmosphere which comes with a student body of several thousand, the ballyhoo surrounding big-time athletics tend to give those hours spent outside the classroom and library undue significance.

Such is far from the case at the College here. There are a great number of students who belong to no organization whatever. Their days are spent between the classroom, the library, the rooming-house and the movie. These students are losing much of the value of a College education.

There is, of course, a small group of students here who participate in too many activities. Too much of their time is spent on committees, in meetings, at dances or dating, and too little time in studying. These students, too, are losing much of the value of a college education.

There is a happy medium. Membership in one or two organizations can hurt no one, and it should be of incalculable value.

The Student Senate should consider the advisability of an Organization-Joining Week. During that time, all organizations on the campus should make a concerted drive for members, taking in only those students who belong to one or to no organization.

### NORTHWEST MISSOURIAN—PACEMAKER

THE NORTHWEST MISSOURIAN has not yet had the distinction of being named a "Pacemaker" among college newspapers by the Associated Collegiate Press, but we seem to be a pacemaker on our home grounds.

Four other newspapers are now being published at the College. We hope our influence has had something to do with it.

The papers, published by students in the training school, are: "The First Grade Forum," "The Intermediate Talkie-Times," "The Junior High Leader," and the "C.H.S. Mirror."

Our best wishes to them.

Our congratulations for the courtesy extended the musician in the Dad's Day assembly. It was a long hour and a half. Anyhow, he was a fine pianist, and put on a good show.

\* \* \* \* \*

It is surprising how many people ask us to complain about something or other in our pages. We are not trying to run down the College or reform the students, nor are we a critical magazine. Our job is to report the College news to the best of our ability.

\* \* \* \* \*

We didn't think the crowd at the Central game did any too good a job of cheering. It wasn't the cheer-leaders' fault. They worked hard.

\* \* \* \* \*

Dad's Day brought a record crowd of fathers to the campus. They seemed to enjoy the visit. We hope so. After all, they are the ones who make college possible in most cases.

\* \* \* \* \*

The Bearcats haven't had a brilliant football season this year, but give us some of those freshmen back next September and watch us go.

## STC Ramblings

By MARJORIE PERRY

Why not?—A brother's and sister's day?

In ye old days students used to shake in their shoes from fright but now its the "big apple."

The windows in the parlor and dining room of Residence Hall are proudly displaying new curtains.

Comparison: One's conscience to the red, amber, and green lights of traffic signals.

Question: What about those who are red-green color blind? Would they have to operate on caution all of the time?

Calendar:

Two more days until final exams.

Thirty-one more shopping days until Christmas.

How easily! "We slipped away as easy as money." (Louise Gooch)

Two fellows who have hot lips are a star trumpet player and a Scotchman finishing a cigar.

—L. A. Collegian.

Flattery: Soft soap. (Soft soap is ninety per cent lye.)

A caller on our campus, with a warning of more to come: Mr. Cold Wind.

## The Constitution

Every American citizen, especially a school teacher, should have read the Constitution of the United States. Read this short excerpt every week; when you have finished you will have read it all.

### ARTICLE III

#### The Federal Courts; the Tenure and Salary of Judges

Section 1. The judicial power of the United States shall be vested in one Supreme Court, and in such inferior courts as the Congress may from time to time ordain and establish. The judges, both of the Supreme and inferior courts, shall hold their offices during good behavior, and shall at stated times, receive for their services a compensation, which shall not be diminished during their continuance in office.

#### DR. F. B. SNYDER SAYS UNIVERSITY IS AN IDEA

Chicago, Ill.—(ACP)—A university is primarily an idea and the responsibility for framing that idea belongs to the student, Dr. Franklyn Bliss Snyder, vice-president, told 1700 Northwestern University freshmen.

"If your idea of a university pictures it as a continuation of high school, where you study 'lessons' and take part in 'recitation', that is what the university will be to you.

"If you think of it as a training ground for athletes and cheer leaders, a series of lack-luster days between contests in the stadium and gymnasium, that again it will be to you, and nothing more.

Dr. Snyder continued, "I hope yours (idea of a university) is of a place of wider opportunities than you have hitherto enjoyed; of opportunities for work and play, for learning and questioning, for living with interesting people representing many parts of the world and many attitudes toward life—for enjoying starlight and sunshine and the beauty of the lake and music and art and other 'useless' things that in the long run prove most useful of all—for opening windows into your minds, and for exposing yourself to ideas."

Typing paper 50c a ream at Tribune Print Shop.

## The Poets' Corner

### BLACK HOUR

Black hour of this sleepless night  
The darkness seems yet more  
The very air weighs heavily  
The outline of the walls close  
upon me.  
This feeling of despair weaves  
on my mute dumb lips.  
Oh God, my thoughts grow  
Follow each on each running  
madly. D. Yo

### THE TEACHER

The teacher is a prophet,  
He lays the foundations of tomorrow.

The teacher is an artist.  
He works with the precious and  
unfolding personality.  
The teacher is a friend.  
His heart responds to the faint  
devotion of his students.  
The teacher is a citizen.  
He is selected and licensed for  
improvement of society.  
The teacher is a pioneer,  
He is always attempting the  
sible and winning out.  
The teacher is a believer,  
He has abiding faith in the  
ability of the human race.  
—Joy Elmer Morgan, from  
Journal" of the National Education  
Association.

### Vacation Looms Ahead Will the Patches Hold

My shirts are shot, my pants  
torn—  
My socks are all in holes;  
My shoes are overrun and scuffed  
And holy in the soles.  
My underwear is like a sieve—  
My neckties look like lace;  
My top-coat is a holy sight—  
A weary frame to grace.  
My suit's become the home of  
moths—  
My overcoat's a fright;  
My gloves look best just where  
they are—  
In the dresser—out of sight.  
My hat resembles Paul Revere;  
My belt is dull and stretched;  
My sweaters aren't the same—  
from home  
Nine months ago I "fetched."  
My pocket-book has felt the  
Of this nine months of "clove"  
My only consolation is—  
Hang on—It'll soon be over.  
Ed Rus

### ALMA MATER

Let your voices gladly ring  
Echo far and near,  
Songs of praise thy children  
singing  
To thy mem'ry dear.  
Refrain:  
Alma Mater! Alma Mater!  
Tender, fair, and true!  
Grateful sons with love un-  
ing  
All their vows renew.  
Refrain:  
Years may dim our recollection  
Time its change may bring  
Still thy name in fond affection  
Evermore we sing.

## South Side Bake

# Special Events

## Student

Margaret Wells, daughter of Mrs. C. E. Wells of south- Maryville, and Vincent Tob- Mr. and Mrs. J. E. Tobin, were married at 8 o'clock Wednesday evening at the St. Patrick's church, Rev. officiating.

Mr. Tobin is a graduate of Mary- ville high school and attended the college one year. She is employed at the J. C. Penney store.

Mr. Tobin was graduated from the New Bedford high school, New Bedford, N. D. He is employed by a grocery.

Mrs. Tobin are at home at 101 First street.

## Sigma Mu Delta Day Dinner

Chapter of Sigma Mu Del- ta fraternity on the campus, entertained the fathers and "adopt- ed" sons of its members at a din- ner Friday evening at the chap- ter home, 322 West Seventh street.

Fathers were present, as were twenty-three active and pledge members of the organization.

Mr. Person, Robert Paul and Fred Davidson comprised the com- mittee in charge of the dinner. Paul Person, Maryville, was toastmaster, and introduced the following se- lected on the program: Fraternity president, Harl Holt, jr., Maryville, Dad's response, Dr. R. C. Person, talk concerning the fratern- ity, Mr. W. T. Garrett, member of the college faculty and sponsor of the fraternity; standing of men in the fraternity, Edwin Tyson, Skid- more, discussion of social events, Miller Weeda, Maryville.

An unusual event in connection with the dinner was the fact that Mr. Person attended his seven- teen-annual Dad's Day dinner, having attended every dinner on that day since the fraternity was organized on the College campus.

Mr. Person has had his sons repre- sented in the fraternity for those years.

At the Sigma Mu Delta dinner was attractively decorated in a Thanksgiving theme. Tapers decorated the tables. The dinner was given by Mrs. Nelle Weeda, house- wife of the fraternity.

Following fathers or adopted sons were guests of their sons at the dinner:

Mr. and Davidson, Barnard; Dr. W. L. Weedy, Maryville; Ed. Boyd, Maryville; Mr. H. R. Dieterich, Maryville; Mr. W. T. Garrett, Mary- ville; D. Mitchell, Skidmore; Mr. Sterling Surrey, Maryville; Mr. R. C. Person, Farragut, Ia.; Dr. W. G. Person, Maryville; Mr. C. E. Wells, Maryville; Mr. Dwight Dorough,

Paul, Bedford, Ia.; Mr. J. W. Knepper, Tarkio; Mr. Clare Wigell, Mary- ville; Dr. R. C. Person, Maryville; and Mr. Ralph A. Berger, Maryville.

Actives and pledges of Sigma Mu Delta present at the dinner were; Fred Davidson, Marion Insley, Thomas Boyd, Edwin Tyson, Wynn Duncan, Robert Mitchell, Miller Weeda, Lynn Bickett, Eddie Gick- ling, James Wells, Julio Silva, Byron Brite, W. H. Davis, Wilber Osborn, Frederick Schneider, Robert Paul, Ralph Knepper, Harl Holt, jr., Paul Person, Bill Berger, Robert Phipps, Don Mozingo and Dale McGinnis.

## Sigma Taus Hold Dinner

Members of Sigma Tau Gamma, social fraternity on the campus, en- tertained last Friday evening, Mr. and Mrs. R. T. Wright, Mr. and Mrs. D. N. Valk, Rosalyn Venrick and Frances Keuker at dinner at the chapter home on West Seventh street.

## Marie Davis Is Married

Mrs. George Fred Davis, 324 East Halasey street, Maryville, announces the marriage of her daughter, Marie, to George Pate, son of Mr. and Mrs. H. E. Pate of Oklahoma City, Okla. The wedding took place Nov. 8, at Chickasha, Okla., Rev. George R. Davis, pastor of the First Christian church, officiating.

Mrs. Pate is a graduate of Mary- ville high school and attended the College for two years. She was graduated from Wesley Hospital School of Nursing at Oklahoma City, last year.

Mr. Pate attended the College two years and was graduated from Okla- homa A. and M. College at Still- water, where he was a member of Sigma Nu fraternity. He is now associated with R. W. Drake and Company, general insurance agents, at Oklahoma City.

Mr. and Mrs. Pate are at home at 512 West Twelfth street, Oklahoma City.

## Varsity Villagers Entertain

Varsity Villagers entertained the Householders Association with a tea Sunday, Nov. 14 from 3 to 5 o'clock at the home of Pres. and Mrs. Uel W. Lamkin. Faculty and officers of Residence Hall board were special guests.

Mrs. Lamkin, Miss Mary Fisher, Dr. Margaret Ruth Smith, director of women's activities; Mrs. L. L. Livengood, president of the House- holders and Miss Sue Bell, president of the Varsity Villagers, were in the receiving line.

The centerpiece which decorated the table was a lovely bouquet of snapdragons. Candles were placed on either side.

Miss Helen Leet poured from 3 until 4 o'clock, and Miss Sue Flem- ing from 4 to 5. Tea, colored mints, and cakes were served to about 160 guests.

## Tri Sigs Entertain Dads at Dinner

Actives and pledges of Alpha Ep- silon chapter of Sigma Sigma Sigma entertained their dads with a 7 o'clock dinner, Friday, November 12, at the Rose Room of the Blue Moon. Miss Josephine Nash acted

as toastmistress and welcomed the dads. Dr. E. S. Harrison, Burlington Junction, responded. Martha Sue Zimmerman sang "That Wonderful Daddy of Mine," after which Glenna Smith read "Tri Sigma Daddies." The trio, Jo Nash, Glenna Smith, and Lois McCartney, sang a group of three numbers. June Ernst and Hattie Richards played two violin duets.

Guests were Mr. Byron McGee, Harris; Dr. E. S. Harrison, Burling- ton Junction; Mr. DeVoy Smith, St. Joseph; Mr. L. A. Nash, Red Oak, Ia., Mr. Earl Zimmerman, Maryville; Mr. Ray Richards, Rockport; Mr. Vodre Eisenbarger, Martinsville; Mr. M. W. Wilson, Maryville.

The members of the sorority pres- ent were: Betty McGee, Mary Jo McGee, Edwardena Harrison, Glen- na Smith, Jo Nash, Mary Lee Eisen- barger, Martha Sue Zimmerman, Hattie Richards, Elizabeth Wilson, Mina Ruth Barr, Lois McCartney, Maxine Daniels, Beatrice Leeson, Jean Martine, June Ernst and Miss Eileen Logan, sponsor.

## Pi Omega Pi Initiation Activities

Pi Omega Pi, national honorary commercial fraternity, will hold a formal initiation service for seven

actives, and a pledging service for eight novitiates this afternoon at 4 o'clock in Recreation Hall.

A banquet honoring the new ac- tives and pledges will be given at 6:30 o'clock at the Linville Hotel. Miller Weeda, Maryville, president, will act as toastmaster for the ban- quet. The program of the evening is as follows: Welcome to new ac- tives, Thelma Duncan; response, Paul Strohm; welcome to new pledges, Ethel Hester; response, Marian Kirk; "Why Join?," Miss Minnie B. James, sponsor; talk, Mr. Sterling Surrey.

The committees in charge are initiation, Helen Leet, Maryville, and Marjory Farmer, Cambria, Ia.;

banquet, Catherine Carlton, Bed- ford, Ia., and Beulah Harmon, Mary- ville; decoration, Beulah Harmon, Maryville, and Ada Burch, Raven- wood; invitation, Helen Leet; and program, Ada Burch, Thelma Dun- can, Weston, and Helen Leet.

The pledges are Paul Gillespie, Ridgeway; Nadene Malone, Clear- mont; Harold Roberts, Bedford, Ia.; Marian Kirk, Hopkins; Virginia Page, Bedford, Ia.; Mary Frances Barrock, Maryville; Neil Weary, Cainsville, and Phyllis Thomas, Fortescue.

The actives are Mr. Sterling Sur- rey; Harry Irvine, Fairfax; Ethel Hester, Mound City; and Paul Strohm, Maryville.

## Students' Voice

The opinions expressed in this column are not necessarily the opinions of the editors of this paper; they are opinions of the writers and should be accepted as such.

### HONOR TO SENIORS

Congratulations to the student body! When the administration of the College had exhausted every means of establishing some semblance of order in assembly, the students finally, after two forced exits in the proper and customary manner, have taken it upon themselves to continue the practice of allowing the seniors to leave first, followed by the juniors and the sophomores.

It is certainly a fine attitude toward our upperclassmen and especially towards our seniors. They have spent the past three years here in this institution and, having served their apprenticeship as underclassmen, are entitled to some special regard and consideration. We ourselves, a few years hence, will also be seniors and then we will be able to appreciate these small honors which we will have earned and which we will feel entitled to receive. The time is all too short when these students will no longer be with us and although we now may say that it is of no consequence to us that they have left, it will soon be apparent that there is a vacancy left which we will fill in person and which we hope to fill in ability and utility.

However, the method of leaving the auditorium could and should, to a certain extent, be exaggerated somewhat. In other words, the seniors should all be permitted to pass completely by the junior section before a single junior rises and leaves his section, the same for the next and also for the last section. This may seem foolish but it would be still more orderly. And the first students out should not take a monopoly on the steps and the hall immediately in front of the auditorium, since this makes it too difficult for the students following to get out of and away from the auditorium.

Another very commendable item of note has been the attention and the interest that the students have shown during the assembly programs. It is not only a very pleasant compliment to the speaker or the entertainer but it is also a commendable attitude upon the part of the students.

May we therefore, continue to act in such a manner as to warrant the fine programs and the entertainment that the administration has afforded us. It is a pleasure to be associated with a unit such as our College that functions in such an exemplary manner as a group.

### HOFSTRA COLLEGE TO SCRAP OLD CURRICULUM

New York, N. Y.—(ACP)—A new college curriculum to which the experience of sixteen major colleges and universities has contributed, goes into effect this fall at Hofstra College, according to Provost Rufus D. Smith of New York University.

At Hofstra, which is the University's Long Island affiliate, to a greater extent, perhaps than in any other college, ordinary academic departments will be scrapped. For example, there will be no department of economics, sociology and politics.

Instead there will be merely a division of social science, in which six basic courses running in sequence from freshman to senior year will correlate all three of the conventional "departments."

Comprehensive examinations covering two years' work are planned for upper classes and there will be

provision for independent work under tutorial guidance.

The new system, according to Provost Smith, follows the newer trend toward the broad English type of training as opposed to the highly specialized German type, popular in pre-war days.

Hofstra's graduates will be prepared to face life more realistically, he believes, as a result of their more integrated education.

## Miss Price Heads C.H.S. Organization

Mary Elizabeth Price, a senior in the College high school, was chosen Friday by a nominating committee to serve as the first vice-president of the newly organized Social Science club, it was announced this week by Mr. Hubert Garrett of the social science department. The club has a membership of 130 students taken from the social science class in the College high school.

Curtis Gard was chosen vice-president and Jack Garrett, secretary. Each social science class, of which there are seven, elected one member to serve on the committee. Jack Garrett, Curtis Gard, Velva-deen Laughlin, Dick Collins, Clea McClurg, John Thomas Hengger.

The club was organized under the direction of Mr. Garrett and Miss Margaret Porter, an assistant supervisor. A definite date has been set for the club meetings which will be Wednesday, twice a month. Dr. J. W. Hake of the science department at the College, will give the first lecture on "A Trip Through Space," which will be given at 1 o'clock, Wednesday afternoon.

## Visitor Arrives By Unusual Method

The biology department of the College this week welcomed a strange visitor to the campus.

He (or she) did not arrive as per the usual mode of College transportation. He came by a more common and less desirable means, for he arrived on a banana peeling—it was wrapped around a banana, and he slipped on it for 7,000 miles.

However, the visitor became confused upon arrival and he was found still in his bunch of bananas at a local fruit store. According to science, this means of migration or distribution has occurred numerous times before in the animal and insect world as there are many examples of snakes, toads, insects, spiders, and such creatures being carried over the world to new habitats.

In case you would be interested in meeting this visitor, we offer a description of him. It is a small lizzard, about 2 inches long and it has four legs. According to Mr. W. T. Garrett, chairman of the department of Biology, it resembles the Gecko species which is found climbing on trees and walls.

It has sticky pads on its feet which enable it to climb up the side of a glass container. Mr. Garrett says that it is capable of climbing upside down as well as straight up and that it feeds on insects.

However, as hospitable as the biology department has been to this visitor, it has as yet been unable to determine just what menu is suitable for the visitor and after a week of searching are still trying to find a diet to his liking. He is evidently living on the stored food material in his body. So, if you are in a position to pay our visitor a visit in the near future, and you have any choice bugs, insects, or other delicacies to spare, take them along and help to make "Dinny" feel at home here in our College.

## MARTHA JANE HAMILTON IS TENNIS CHAMPION

Martha Jane Hamilton, Maryville, won the women's tennis championship of the College by defeating Virginia Ramsey, Watson, in the finals played Nov. 9, 6-3 and 6-2. Both women are members of the freshman class.

In the semi-finals, the champion won from Iris Ebersole, also a freshman from Maryville, 6-2, 6-2. Miss Ramsey won her way to the finals by defeating Mary Jeanette Anthony, Maryville, 6-1, 6-3.

Mrs. Hallie Ford, B. S. '31, has accepted a position teaching home economics and music in the Cardwell, Mo., high school. Mrs. Ford formerly taught at Westboro.

Miss Virginia Tulloch, A. B. '31, who is now teaching in the Maryville grade school, is the author of a story which will appear in an early issue of "Child Activity" magazine.

C. Kenneth Leeson, A. B. '31, and B. S. '33, is now employed in sheet metal work with the U. S. Register company in Kansas City. He lives at 2505½ Mersington Street.

### GRADUATE TRANSFERRED

Mr. Eugene Wells, B. S. '31, who has been a federal inspector for the United States Food and Drug Department at New Orleans, has been transferred to Chicago, according to word received here.

Dr. Wells will eventually be employed as a chemist in the same department.

## College Worth While

New York—(ACP)—Is or is not college worth while?

Refuting the "depressing" evidence of John R. Tunis' book, "Was College Worth While?", a study of the graduates of the class of '11 of the School of Commerce, Accounts and Finance of New York University, reveals the answer to be an emphatic "Yes."

Based, like the Tunis book, on graduates of 25 years ago, the School of Commerce survey showed that out of 48 reporting, only one is unemployed.

Of the others, 17 are accountants, ten are in banking and ten executives in manufacturing and mercantile enterprises. Other occupations include public service commissioner, bank examiner, insurance, real estate, publishing, transportation, foreign trade, salesman, lawyer and teacher.

The earnings of the group have been considerably greater than the average for the population and considerably greater than those of any comparable groups of college graduates of which the investigators had knowledge. The average income in 1911 was \$1,822 and in 1936, \$11,440.

In tabulating other than economic factors, the report showed that 43 out of the 48 are married. This is said to be 9 percent above the average. No divorce is reported, compared with 7 per cent among Harvard men, 4 percent at Yale and 6 percent among Princeton graduates of the same year.

Politically, the class showed the same alignment as their contemporaries among Harvard, Yale, and Princeton graduates. Twenty-eight listed themselves as Republicans, ten as Democrats and 8 as independents.

## College World

Title of the world's tiniest co-ed is now held by Catherine Cooper, Santa Anna sophomore. She is just 56 inches tall, nosing out her nearest competitor by 1 inch.

Courses to teach the wives of edu-

cators how not to be a drag on their husband's career have been introduced at Teachers College, Columbia University.

One of the first gem courses given in an American university will enable the University of Wisconsin co-ed to determine whether she is receiving a bona fide diamond ring. It deals with the appreciation of the cut and quality of precious stones.

The new registrar of Harvard alumni published recently, lists alumni living in 84 countries.

Approximately half a million dollars is spent in Columbus, Ohio, each year by members of 51 social and professional fraternities of Ohio State University.

Football has been discarded for rodeo sports at the Cheyenne school at Colorado Springs. Bucking horses and wild steers are considered less dangerous by the school officials.

A new 27-inch telescope has been installed at the University of Kansas and is ready for use.

"The problems of today can be solved and will be solved through an intelligent and trained leadership," said acting Pres. Herman B. Wells of Indiana University to freshmen.

### NEW BOOKS IN THE LIBRARY

Acremont, Albert: "Ces Dames aux Chapeaux Verts."

Arms, John Taylor: "Design in Flower Arrangement."

Baker, Jacob: "Cooperative Enterprise."

Baxter, Leon H.: "Electro-Craft in Theory and Practice."

Bekker, Paul: "The Story of the Orchestra."

Belloc, Hilaire: "An Essay on the Nature of Contemporary England."

Bennett, Margaret E.: "Problems in Self-Discovery and Self-Direction."

## Winter Quarter Programs Arranged

(Continued from page 1).  
an illustrated lecture to the student body.

Professor Harding of the University of Arkansas will give a lecture entitled "Flying to the Sun," March 22.

The final assembly will have Madame Lydia Hoffman-Behrendt, pianist, giving lecture recitals on "Modern Music."

The major entertainment for the quarter will be a lecture by Mary Ellen Chase, New England author, on Jan. 24. Most of the students will be familiar with her books entitled, "Mary Peters" and "This England."

A group of February lectures will be given by various faculty members. These lecture assemblies were given a few years ago and renewed last year. They will be held on the four Sundays of February.

W. T. Garrett, head of the biology department, will deliver the first lecture Jan. 30. The following will give lectures on consecutive Sundays: Miss Dora B. Smith of the education department, Miss Estelle Bowman of the English department. It is undecided as to who will give the fourth.

### TO ATTEND MEETING

Mr. Hubert Garrett of the social science department, will attend the National Council for the Social Studies meeting to be held at St. Louis Friday and Saturday of next week, instead of attending the State Teachers Association meeting held in that city this week-end.

## Weeping and Wailing Starts With Exams

Now comes the time for weepin' and wailin' and the opening of texts which have seen little or no use this quarter. The darkest hour is coming and we must prepare and prepare and prepare. The dreaded time we refer to is examination time, dear students, in case you have forgotten we have examinations here.

Every faculty member we have seen in the last few days has had a gloating look in his eye in anticipation of the rude awakening we are soon to have. Too late now to polish up the trusty old apple, we can only hope and pray and incidentally, study a little. While we feel awfully sorry for ourselves right now, the librarians also have a hard job. What with giving suggestions on term papers, etc., and helping everyone in general in addition to their job, they will be about the busiest persons in school the next week or two.

### Come to the Library

Anyone who wants to see what college really should be like should come up to the library any evening next week. There will be innumerable students there, poring over dusty tomes which were issued to them from the book store at the beginning of the quarter. These same students will be making queer scratches on paper in the fond belief that they are taking careful, but condensed notes. There will be students with open books in their hands, their faces turned to the ceiling, muttering strange words. In case these persons are a mystery to the casual observer, they are memorizing formulae or dates according to the class.

### In Different Positions

Another interesting thing to observe will be the different attitudes and positions one student can adopt in his chair in the course of one evening. First, he sits with his book on the table and assumes an erect position in the chair. Gradually he slumps further down until he is sitting on the small of his back. Then

he will arouse, place the book in his lap and lean his weary head on his arms at the edge of the table, and there he will study for a little while. Then he will put the book back on the table, and hold his head in his hands while he tries to assimilate a little more knowledge. While studying in this position he will invariably get his hair badly mussed and spend the rest of the evening looking strikingly like at least one of the Ritz brothers. Finally, he will emerge from his trance at about 8:30, glance at his watch to see if it's time to close the library, start with surprise at the early hour, decide he's too tired to study any more, and go downtown to a show.

## Newman Club Plans Clyde Convent Trip

The Newman Club held its meeting on last Thursday evening at 8:30 to accommodate the football boys who attended skull practice. The business meeting was followed by a short program featuring several reports on the recent Denver conference of the Federation of College Catholic Clubs.

Plans were made for a trip to the Convent at Clyde and the Monastery at Conception in the near future. The members are to spend a Sunday in a tour of these two places and a possible visit at Conception College.

A social meeting, to be held at the

Club house, was also discussed and a committee delegated to make plans for the meeting. John Zuchowski, St. Joseph, and Paul Strohm, Maryville, were appointed to act as sponsors for the Junior Newman Club of the College high school.

A report was given by Miss Phil-etta Steinmetz, Plattsburg, on the proposed change of the name for the Federation of College Catholic Clubs of which the Newman Club is a member. Miss Kathryn Frank- en, sponsor, gave a short talk on the Catholic Action theme of the Denver conference. Mr. Zuchowski will serve as parliamentarian for the club for the remainder of the year.

### CLASS COMPLETES

Mr. A. H. Cooper's class and measurements has been under the direction of Mr. Shipman, Mound City, in a study of the College school. Tests have been statistics worked out, and re- lyzed in a complete report.

Copies of this report given to the president of lege, the head of the edu- partment, the supervisors of mentary school, and each of the class.
